

KEY FACTS
SHIPPING COMPANIES & REGISTRATION OF SHIPS

- All non-Cypriot owners who wish to register their ships under the Cyprus flag must incorporate a company in Cyprus which will either acquire the ship in its name, or bareboat charter the ship.
- Practice and custom have created a special type of Cyprus ship owning company which is limited by shares and has a nominal capital, usually €1,000 divided into 1000 shares of €1 each.
- The Cyprus merchant shipping legislation allows for the provisional registration of a vessel (in case the vessel concerned has not been previously a Cyprus ship) and most owners usually opt to have their ship provisionally registered. This will allow them time (up to nine months) during which they will be able to complete the administrative formalities for the permanent registration.
