OWNING DUBAI PROPERTY

JAFZA offshore companies are allowed to own immovable property in Dubai.

A No Objection Certificate (NOC) from the Dubai Land Department is required to own property in Dubai via a corporate structure. Obtaining an NOC can be a complex process.

REGISTERED OFFICE / AGENT REQUIREMENTS

A JAFZA offshore company must have a Registered Agent and Registered Office in the Jebel Ali Free Zone or in Dubai. This could be an office maintained by the company or by the Agent to which all communications and notices may be addressed. In addition, immovable property-owning offshore companies are required to appoint a Dubai resident as a contact person as required by the Land Department.

BANKING

A JAFZA company can hold bank accounts in the UAE subject to the bank's approval.

INCORPORATION

From the date of submission of the incorporation documents, it takes 4-5 working days for the JAFZA Criminal Investigation Department to complete its due diligence investigation of the proposed shareholders, directors and secretary.

On the issuance of the report, shareholders/directors need to visit the Registry for attestation of their signatures.

If the shareholders/directors are unable to come to Dubai, they may issue a Power of Attorney in favour of Trident Trust to represent them before the Registry. The Power of Attorney needs to be legalised by either the Ministry of Foreign Affairs in Dubai or by any UAE Embassy.

The government incorporation fee is US\$2,725. The annual license fee is US\$681.
