

United States

We provide a wide range of corporate services in the U.S., including company formation, administration, management and compliance services for companies domiciled within the U.S. or select other jurisdictions. This offering is available to international and domestic clients.

Global Coverage

We specialise in the formation, management and ongoing administration of U.S. and international companies, offering one of the widest ranges of corporate jurisdictions in the industry. Our U.S. team provides corporate services across all 50 U.S. states and can also coordinate access to our Group's global footprint, which includes corporate formation and administration capabilities in 20 international jurisdictions.

Diverse Experience

We have extensive experience and knowledge in establishing and administering a diverse range of corporate structures to help our clients meet their succession planning and asset protection goals, including portfolio investment, trading, property investment, patent, royalty and copyright holding, and ship and aircraft ownership and financing.
